ARTICLES OF AGREEMENT AND BY-LAWS
of the
MASSACHUSETTS CHIEFS OF POLICE
ASSOCIATION, INCORPORATED

Organized November 5, 1887
Incorporated May 2, 1949

ARTICLES OF AGREEMENT OF ASSOCIATION
AS AMENDED

Mutual aid and sympathy is considered an important factor in the successful pursuit of business, social and fraternal organizations. In no case is this more clearly illustrated than in the discipline and management of police. Prompted by a desire to further the interests of the different police departments, it is considered desirable that there should be an association of the heads of police organizations throughout the Commonwealth of Massachusetts in order that they may meet on stated occasions to advance social and fraternal intercourse; interchange views regarding the best methods of preventing crime; discuss crimes and criminals, police discipline and kindred subjects and such other matters as the interests of their occupations would make it right and proper for them to take action upon as an organized association.

It shall be the duty of this Association to aid and assist its members in the discharge of their duties, give counsel and advice on all important questions and assist each other in all matters relating to the welfare of the Association or individual member thereof.

Mission Statement

The MCOPA shall advance professional police services; promote enhanced administrative, technical, and operational police practices; foster cooperation and the exchange of information and experience among police leaders and police organizations of recognized professional and technical standing throughout the Commonwealth.
