WELCOME!

On behalf of the Executive Board, we are pleased to welcome you to the 2026 Annual Massachusetts Chiefs of Police Association Trade Show. This year's event promises to be our most dynamic yet, featuring 170 companies showcasing the latest products, technologies, and services throughout the Exhibition Hall. As the second-largest trade show of its kind on the East Coast, we remain committed to delivering a comprehensive and engaging experience for the New England public safety community.

Our exhibitors are the foundation of the Massachusetts Chiefs of Police Association, and this event would not be possible without their continued support. With so many industry leaders gathered in one place, we encourage you to explore the exhibition floor—discover innovative solutions, build new partnerships, connect with trusted suppliers, and stay ahead of emerging trends in public safety.

To further enhance your experience, food stations have been thoughtfully placed throughout the Exhibition Hall, creating convenient opportunities to network, connect, and engage with Chiefs and colleagues.

We extend our sincere thanks to Cheryl Lott and Dawn Nanni of MCOPA, as well as Chief Richard M. Stanley (Ret.) and Mark Tremblay of Tremco Police Products, for their dedication and hard work in bringing this event to life.

Be sure to save the electronic Program Book as a valuable resource—its listings will serve as a helpful reference throughout the year. We hope you enjoy a productive, informative, and memorable event.

Chief Shane D. Woodson
