

WELCOME!

On behalf of the Executive Board, we would like to welcome you to the 2024 Annual Massachusetts Chiefs of Police Association Trade Show. We are very pleased to return with a great new show! Featuring 155 companies, experience the "Network" of exhibitors providing the newest products, technology and services throughout the Exhibition Hall. We understand that our Annual Trade Show is now the second largest such show on the east coast, and we are committed to bringing the very best and most comprehensive trade show to the New England States.

The exhibitors continue to be a vital part of the Massachusetts Chiefs of Police Association. With so many companies under one roof, we hope you will show your support by visiting their booths. Compare products, meet your suppliers in person, discover new companies and keep up-to-date on the latest public safety trends!

This year in an effort to maximize networking opportunities with the Chiefs, we have positioned food stations at key spots around the Exhibition Hall!

We would like to give special thanks to Cheryl Lott and Dawn Nanni of the MCOPA, Chief Richard M. Stanley (Ret.) and Mark Tremblay of Tremco Police Products for the work that they have put into helping make this event what it is today.

Keep this Program Book and utilize the listings contained inside throughout the year. It will act as a handy reference in the future. We hope you enjoy this year's event!

Chief Eric P. Gillis
